TORQUE Uniqueness

**Torque
Hand Holding
Concept**

torque

torque

TORQUE

Uniqueness

- **We apply modern tools & techniques to tackle the specific pain area. Such knowledge directly comes thru' our senior Japanese Expert.**

torque

torque

Some of our Achievements*

- **Saving in space: up-to 50 %**

- **Improvement in Productivity: 30-60 %**

- **Saving in inventory:**

- a) **WIP: up-to 75 %**

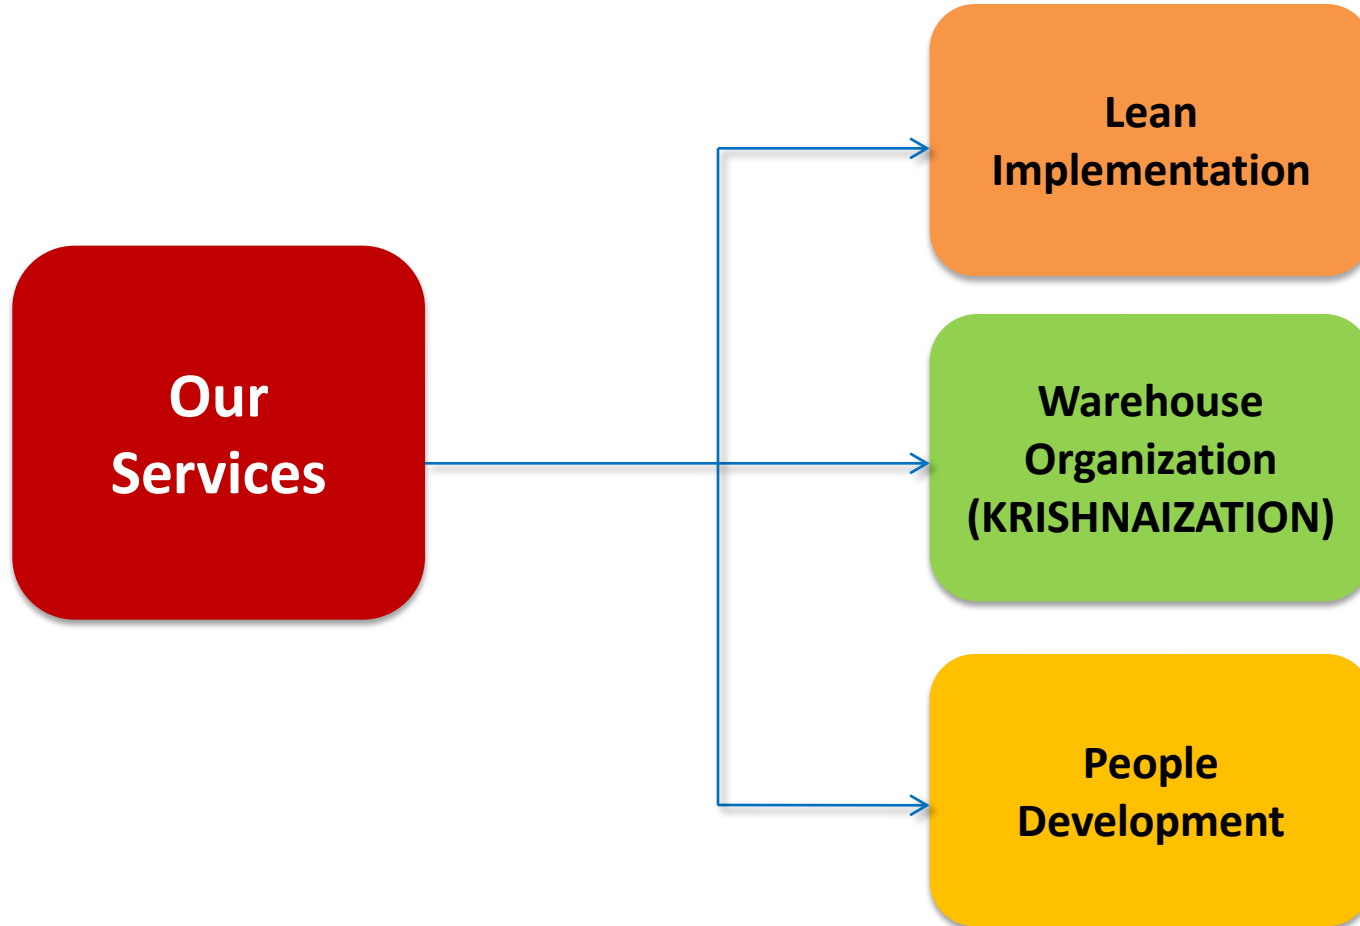

- b) **Stores: up-to 40-50%**

* Results depend upon many factors and can not be guaranteed.

torque

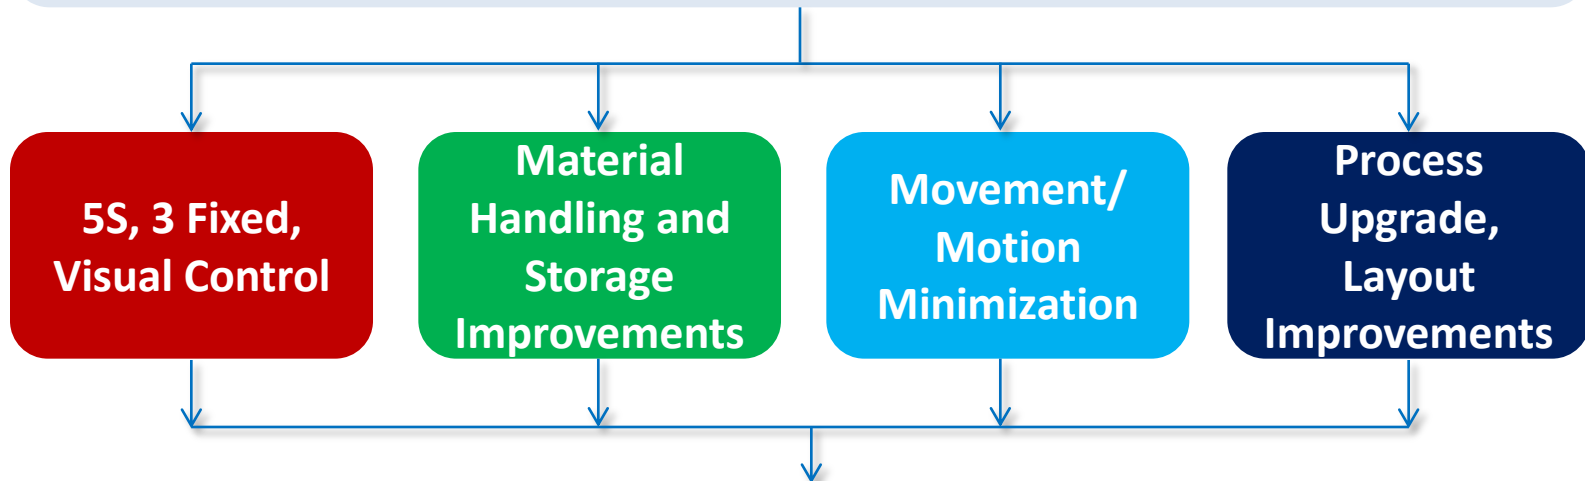

TORQUE Services

Lean Implementation

We Undertake

- Through our Total Handholding Concept (THHC) involving our Consultants and Executives
- Our Consultants play a guiding role while our Executives become a part of your in-house team and demonstrate how to do
